The Growing in Maturity Course will restart with a new intake of participants in June. It's a great way to learn how to correctly handle God's word and grow in understanding of & appreciation for God; whilst getting to know other men in the church family better. If you want to know more then speak to Phil Butcher ASAP. Here's a short recommendation from Matt Curren:

"The course has been challenging at times, particularly on occasions managing to fit in all the reading, but Phil has broken the reading down into practical bite-sized chunks and for me the course has certainly been beneficial and worthwhile. I have genuinely learnt a great deal, which I suppose wouldn't be unexpected considering I'm a relatively young Christian. However, I also feel that what I've learnt in the course has really only scratched the surface of what there is to know about God, Jesus and our relationship with him. I anticipate that over the years to come I will keep referring back to what I've learnt on this course; when something comes up in conversation or in Bible study that I don't know very much about or understand, I'll firstly be able to interpret the Bible better, and if I still need further help I'll be aware that an explanation of it exists in Bible Doctrine, and be able to use the information there as a gateway to further study."

Stamps: Thank you to all those who have donated stamps for the Leprosy Mission – all very gratefully received. Please continue to pass on any stamps you have in the future to Betty Killick.

For all youth and Jam leaders: All the craft materials have been sorted and tidied. They are in the paint cupboard upstairs or downstairs in the cupboards in the Burrow. Before you buy anything new please check what we already have. Everything is available to be used by anyone so help yourself. If you are returning materials please put them away tidily in the right place. Cupboards, baskets and containers are all labelled and it would really help everyone if the supplies are looked after properly. Thank you.

Upbeat communities is having a baby shower on 20th May for new and expectant refugee and asylum seeker mothers. They are looking for donations of new baby or young baby equipment, clothes, nappies and wash supplies so they can put together gift packs for the mums and then allow them to 'shop' for what they need. If anybody has anything to donate please contact Chrissy Hill who is happy to collect it. Thank you.
